### COACH REPORTS

Coach Gallagher- Girls softball is off to a good start. The team is 2 and 1 as of now. Girls are working very hard. (Coach Monzingo expresses his thanks for all they do.)

Coach Dunavant – District performance started slowly with 8 new people in new positions. The guys we have are good boys and play very well together.  
The guys are going to the Little League before the game this Saturday to throw first pitch. They are very excited about that. 3 teams still to go in playoffs even though Hawkins dropped out.

Coach Monzingo – Shows his appreciation for the hard work of the Booster Volunteers at the Basketball tournament. He says it was a great atmosphere and attendees at the tournament were very complimentary of how nice they were treated at the facility.

Coach was told the field would be green by the end of March but don't really have high hopes. They are at the final phase with electric and water.

Completion for the track's ending date is April 24<sup>th</sup> and may be completed before that.

The scoreboard has had some problems with wiring, but Coach will be sure that is all worked out.

Physicals will be held May 25 for \$25.00 from 4:00 to 4:30. Coach is very pleased with this thorough team of doctors.

Discussion was held on the conflict of the soccer scheduling. The UIL handles all the scheduling and Coach understands the frustrations of the parents. Our district is only 4A. In the next 2 to 3 years 3A soccer may be available. Coach says some of the parents and players have written the UIL on this situation.

Golf Gala will be in August. Coach would like it to be even a bigger fundraiser.
